30th April, 2007

Dear Mrs Kelso,

**ADOPTION OF AREAS 'A' AND 'B' TOGETHER WITH THE ACQUISITION OF THE 'POND AREA',
DORCHESTER WAY, BELMONT**

I refer to previous discussions and correspondence regarding the above recreational areas.

I am pleased to confirm that the Council have now adopted Areas 'A' and 'B', and also acquired the former pond area site off Dorchester Way. Through the Parks and Countryside Section of the Council we will now commence the appropriate maintenance of Areas 'A' and 'B'. However as you will be aware these two areas will only be available for passive recreation due to the limited depth of the membrane that covers both sites.

Active recreation will be catered for on the additional land acquired south of Area "A" and known as 'The Pond Area'. This area has planning permission for recreational use. The precise nature of the recreational use is presently being revisited by the Parks Section. The enhancement of this area will be undertaken in conjunction with yourselves and, to this end, Fran White (Parks Development Manager) has already assisted in setting up a Development Group to undertake this project.

Yours sincerely,

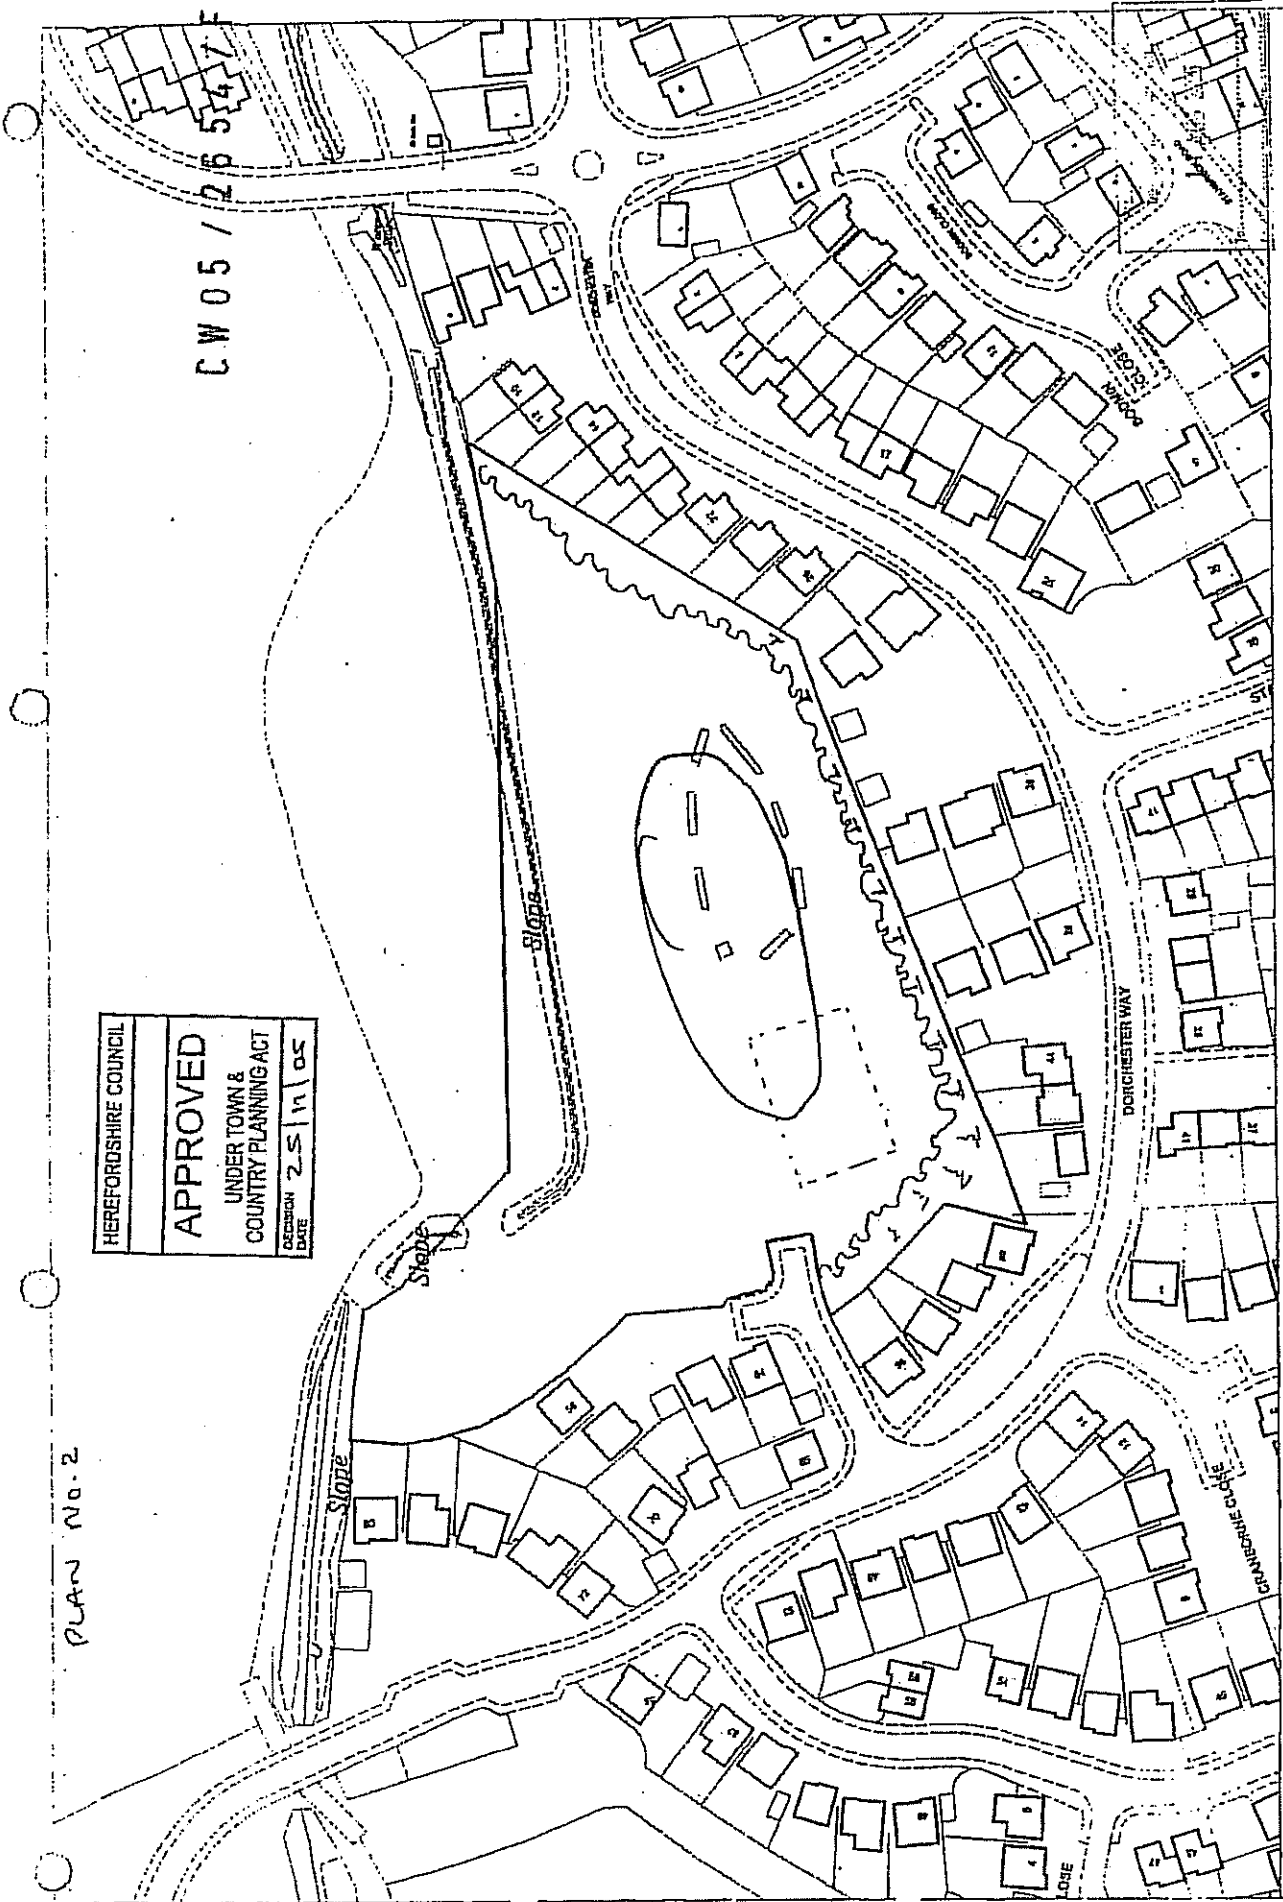

GRAHAM DUNHILL
DIRECTOR OF ENVIRONMENT

CW05 / 26547
