**Pollution Prevention & Control Act 1999
Pollution Prevention & Control Regulations 2000**

Skymark Packaging International Ltd has applied under the Pollution Prevention & Control Regulations 2000 for an A2 IPPC permit from Herefordshire Council to operate an installation for a printing activity (using more than 200 tonnes of organic solvent per year) at Glendower Road, Southern Avenue, Leominster, Herefordshire. HR6 0QF
The application contains a description of any foreseeable significant effects of emissions from the installation on the environment.

The application contains a description of all the information required to include in its IPPC application to Herefordshire Council.

A copy of the application has been placed on Herefordshire Council's public register which is available for inspection free of charge during normal office hours at the Bath Street Offices, Bath Street, Hereford.

Written comments and representations may be sent to Herefordshire Council at the Bath Street Offices, Bath Street, Hereford. HR1 2ZF (or email comments to ethpline@herefordshire.gov.uk) within 28 days of the date of this web site advertisement. Any written comments will be placed on the public register unless they include a statement requesting that this is not done. If there is such a request, the register itself will just include a note stating that representations have been made.
