

## 1. INTRODUCTION

### 1.1 SUSTAINABILITY APPRAISAL – PARAGRAPH 1.5.1

#### Objection

P830/2142                      Herefordshire Friends of the Earth (Conditionally Withdrawn)

#### Summary of Objection / Issue

- Objection is raised to the omission of a summary of the sustainability appraisal and the criteria on which it was based. (830)

#### Inspector's Reasoning and Conclusions

*Omission of summary of sustainability appraisal and criteria - 830*

1.1.1 The Council introduced changes in the Revised Deposit Draft which satisfied the objection. Relevant sustainability criteria are set out in Chapter 3 and each of the topic chapters. A summary of the sustainability appraisal in Chapter 1 would be unnecessarily repetitive.

#### RECOMMENDATION

1.1/1 Do not make any modification in response to the objection.
