

# How to make your payment to the Council

**This leaflet tells you about changes to the way you can make payments to Herefordshire Council.**

The Council's cash offices are being replaced with alternative payment options which give you more choice and convenience of how and where to pay.

Bar codes have been added to bills to enable you to use any of the payment options listed below:

**At a Post Office** - You can pay at any Post Office free of charge. A list of Post Offices located in and around the county is included in this leaflet. Please take your bill with you.

**At a PayPoint Outlet** - You may pay at any outlet displaying the PayPoint sign. A list of PayPoint locations in Herefordshire Council's area is included in this leaflet. Please take your bill with you.

**By Automated Telephone Payment** - This service is available 24 hours a day, 7 days a week by telephoning Allpay on 0844 557 8321 and quoting the 19 digit number found beneath the bar code on the front of the bill. You can pay by debit card or credit card (please note that payment by credit card is not accepted for council tax or business rates).

**Using the Internet** - You can pay over the internet using your debit or credit card (please note that payment by credit card is not accepted for council tax or business rates) by logging on to our website at [www.herefordshire.gov.uk](http://www.herefordshire.gov.uk) and clicking on Payments Online.

To pay your council tax or business rates by direct debit, please refer to your bill.

Whilst only the local outlets are listed, you can make your payment at any Post Office or PayPoint outlet throughout the UK. Full details of all these can be found on [www.allpay.net](http://www.allpay.net)
