E-mail addresses will **not** be shown on your entry on the website but if you do not want any other information e.g telephone number shown please add a note to this effect when you return this form. An image (changed every 3 months) can also be added to your entry by sending me a j.peg of no more than 300 pixels to [a.morgan@herefordshire.gov.uk](mailto:a.morgan@herefordshire.gov.uk)

To be eligible for inclusion in the creative industries database you should operate on a professional or semi-professional basis, with one of your main sources of income generated from the business.
