Hi Sam

As you aware the revised NPPF was issued yesterday but just for clarification:

The revised NPPF provides for transitional arrangements as follows:

214. The policies in the previous Framework will apply for the purpose of examining plans, where those plans are submitted<sup>69</sup> on or before 24 January 2019. Where such plans are withdrawn or otherwise do not proceed to become part of the development plan, the policies contained in this Framework will apply to any subsequent plan produced for the area concerned.

(69) For neighbourhood plans, 'submission' in this context means where a qualifying body submits a plan proposal to the local planning authority in accordance with regulation 15 of the Neighbourhood Planning (General) Regulations 2012.

(22) During the transitional period for emerging plans submitted for examination (set out in paragraph 214), consistency should be tested against the previous Framework published in March 2012.

kind regards

Deborah

Dear Deborah,

I anticipates that you have not formally requested us to ask the parish council to comment on the Reg16 representations as highlighted within the NPIERS Guidance to service users and examiners.

However, we are now tending to do this as a matter of course to ensure consistency throughout our parishes.

I can confirm that the Border Group parish council have indicated that they have no comments to make in response to the Reg16 representations.

Kind regards
