

8. A438 Whitecross Road Route

Establishing a key walking and cycling gateway into the city from the existing and new residential areas to the west

Connect into future developer proposals for walking and cycling improvements at Whitecross Road Roundabout and on Kings Acre Road linking to the proposed bypass

Typical parallel crossing for pedestrians and cyclists

Possible future view of Eign Street / Victoria Street junction: Remove subway and provide safe toucan crossing over the A49 for pedestrians and cyclists to directly access the city centre

Raised crossing for pedestrians and cyclists

Illustration of typical toucan crossing

Typical signalised crossing over each road at junction

This map is a diagrammatic representation and subject to change. Not to scale.
