Dear Matthew

Thank you for inviting the Marches Local Enterprise Partnership to comment on the Herefordshire Local Transport Plan.

The Marches LEP is pleased to support the Local Transport Plan as it contains a number of schemes and projects that will assist in the delivery of the objectives in our Strategic Economic Plan. The Marches LEP looks forward to working in partnership with Herefordshire Council to deliver the jobs and houses set out in the Strategic Economic Plan.

Best regards,

**Mr Graham Wynn OBE, Chairman, Marches LEP**
