Herefordshire Council is proposing to formalise the existing one-way traffic system in The Oval, Hereford between its junctions with Belmont Road Service Road and Goodrich Grove by the process of the above named Traffic Regulation Order. The proposed Order will have no physical effect on the already operational one-way system as indicated by current arrangements and signage.

The Order is being proposed for the following reasons:

- To clarify the existing one-way restriction in accordance with current standards and formats, and to comply with current enforcement policy,

- For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising,

- For facilitating the passage on the road or any other road of any class of traffic (including pedestrians) (*i.e. to maintain access and/or to reduce congestion*),

- For preserving or improving the amenity of the area through which the road runs,

The proposals have been subject to consultation with local Councillors representing the area, the local Police, Ambulance, Fire and Rescue Services and Herefordshire County Council Passenger Transport Unit.
