### Current Courses

*Please contact the Provider directly to discuss your requirement and book your place.*

Learners will be guided and supported in learning to understand their own Wellbeing. They will learn about the 5 Ways of Wellbeing and practice techniques to help them maintain their own mental health and wellbeing.

Learners will be encouraged and supported to work out/share strategies that help them to survive the pressures surrounding preparing for a special holiday event like Christmas (budgeting, expectations, planning, family, absent family etc)

The course will be delivered through the medium of willow, linking the 5 Ways of Wellbeing with the tasks undertaken. During this process, the learners will:

- Develop and refine some more basic willow work techniques
- Create 1 or 2 gifts to give
- Develop their understanding of how willow works
- Learn about some holiday traditions and their background

If required, for returning learners there will be the opportunity to work with tutors to design an appropriate individual programme to support ongoing progression.
