

## Learning Provider: Landau Ltd

Landau have the space and ability to help individuals to take ownership of their own learning development. We entrust our learners with a lot of supported responsibility allowing them to understand and appreciate independent learning and workplace behaviours, values and attitudes.

The Landau Learning environment is a safe space to develop and grow, it is a stepping stone onto a desired destination.

Our approach is focused on person centred learning with a friendly and experienced team of staff and business partners. We support learners in small groups to achieve their aspirations and overcome any barriers to learning.

#### *U-NCL-CFC-12 Caring for Children L1 Certificate*

- The Caring for Children L1 Certificate course is aimed at parents who want to improve their parenting skills and/or those who want to explore the option of childcare as a career.
- Learners work towards an accredited Level 1 qualification as part of the course and some may be progressing from the L1 Award course
- Engages those from the groups named as Adult and Community priorities that are least likely to participate in learning to provide them with the confidence they need to develop skills in childcare and parenting
- Sessions are delivered in small, friendly and supportive groups that address everyday life issues relating to learners' personal and social skills that prevent them from learning and generally progressing in life to become self-assured, economically and independent individuals.
- Provides a sound basis knowledge of all aspects related to parenting and childcare
- Provides a good stepping stone as a way of progressing on to an accredited Level 2 qualification

Tutor: **Cathy Williams**

Venue: **Marlbrook Primary School, Green Croft, Hereford HR2 7NT**

Start Date: **22/02/2024** End Date: **18/07/2024**

Start Time: **13:00**

## U-NCL-NOC-03 Number Crunch (Ross)

Number Crunch course is an 8 hour course, to be delivered over 2/4 weeks. It aims to engage learners, who are not in work or who are earning a low wage and/or learners who have just completed the Caring for Children L1 and L2 courses, during which they completed units on Healthy Lifestyles. The course builds on the Healthy Lifestyles unit by studying how numeracy skills are used through the process of being active, getting fit and staying healthy.

The course will be delivered in small, friendly and supportive groups and will include a combination of taught sessions and field visits. Learning will take place through group discussions, completion of worksheets, self-assessment, individual target setting, independent research, visits to chosen locations and participation in physical activities. Through the process of getting fit and healthy, learners will develop numeracy skills through calculating (counting, adding and multiplying steps), planning and measuring distance using maps, converting units of measurements, weighing and calculating weight loss, measuring blood pressure and blood pressure, working out time.

All participants will be given a step-counter.

Tutor: **Cathy Williams**

Venue: **Ross-On-Wye (Ryefield) Children's Centre, Grammar School Close, Ross-on-Wye HR9 7QD**

Start Date: **27/06/2024** End Date: **18/07/2024**

Start Time: **10:00**

This one-day Family Learning event aims to engage parents or carers, who are not in work or who are earning a low wage and who want to gain experience and develop skills in sharing outdoor activities with their children. Parents and carers, who already attend the L1 or L2 'Caring for Children' courses are invited to participate in the event, as a way of implementing and reinforcing what they have learnt during their studies. Parents and carers, who are referred by Early Help, Health Visitors, Family Support, Probationary Services, Midwives, Youth Support or other agencies with specific funding attached are also invited to participate in the event, with the prospect of attending the L1 'Caring for Children' course at one of the Children's Centres in the new academic year or joining the BBO project for more specific help. The event will take place in Queenswood Country Park, Dinmore and be designed around the story of 'The Gruffalo', as a way of engaging and inspiring children and adults alike. The course aims to incorporate the following:

- Building positive relationships
- Health and wellbeing
- Benefits of outdoor learning in a natural environment
- Importance of investigation and exploration
- Sensory learning
- Cognitive skills, such as problem solving
- Physical skills, such as fine motor and coordination
- Literacy and numeracy skills
