

Learning Provider: Landau Ltd

Landau have the space and ability to help individuals to take ownership of their own learning development. We entrust our learners with a lot of supported responsibility allowing them to understand and appreciate independent learning and workplace behaviours, values and attitudes.

The Landau Learning environment is a safe space to develop and grow, it is a stepping stone onto a desired destination.

Our approach is focused on person centred learning with a friendly and experienced team of staff and business partners. We support learners in small groups to achieve their aspirations and overcome any barriers to learning.

Start Time: **13:00**

This short Family Learning course is delivered over two days. It aims to engage parents or carers, who are not in work or who are earning a low wage and who want to gain experience and develop skills in sharing outdoor activities with their children. Parents and carers, who already attend the 'Caring for Children' or other 'Family Learning' courses are invited to participate in the event, as a way of implementing and reinforcing what they have learnt during their studies. Parents and carers, who are referred by Early Help, Health Visitors, Family Support, Probationary Services, Midwives, Youth Support or other agencies with specific funding attached are also invited to participate in the event, with the prospect of attending the L1 'Caring for Children' course at one of the Children's Centres in the new academic year or joining the BBO project for more specific help.

The event will take place in two outdoor locations to introduce, engage and inspire children and adults alike to enjoy outdoor learning environments. The course aims to incorporate the following:

- Building positive relationships
- Health and wellbeing
- Benefits of outdoor learning in a natural environment
- Importance of investigation and exploration
- Sensory learning
- Cognitive skills, such as problem solving
- Physical skills, such as fine motor and coordination
- Literacy and numeracy skills
