

Have your say!

Herefordshire Council has saved over £59 million over the past six years. We must deliver further savings in order to balance our budget between now and 2019/20.

We want to hear what council services you want to protect and how you might be able to help us to continue community services. We also want to hear ideas on how we can improve – perhaps by using new technology, changing the way we do things, or by working with other organisations, community groups or charities.

Just complete a form and hand in to any Herefordshire library or customer service centre. Alternatively, you can fill out an online form at www.herefordshire.gov.uk/haveyoursay

If you have any more ideas, send us a facebook message or tweet #hfdsbudget. You can also share your views with your local councillor or parish council. The consultation is open from Friday 29 July 2016 to Friday 7 October 2016.
