

				<p>The policies set out in the Local Plan (Core Strategy), subject the outcome of the Inspector's Report, and elsewhere within the NPD should help to avoid adverse impacts upon the European site; though the policy could be strengthened with the inclusion of the following:</p> <p>Development can only proceed where any adverse effects on the River Wye SAC can be avoided or mitigated. Development will only be permitted when it does not compromise the ability of the NMP to deliver the necessary overall nutrient reductions along those stretches of the River Wye SAC which are already exceeding water quality targets or at risk of doing so.</p>
