202	Can trip over the cables and generally difficult walking around, the smell/pollution from diesel generators (illegal levels?) many shops closed because they are deprived of business	4/14/2017 9:10 AM
203	It obviously causes a distuption but as a tradition I feel it is important to keep this alive for the towns heritage	4/14/2017 8:35 AM
204	Lack of parking. Difficult to walk through town and get into shops.	4/14/2017 6:53 AM
205	I do not do any local shopping while the fair is in town	4/14/2017 6:52 AM
206	Difficulty getting round the town, problems parking, no access to roads I nees to drive down to pick up large items from, litter and piles of vomit to avoid with children,	4/14/2017 6:50 AM

215	tar	4/13/2017 3:49 PM
216	means I avoid Leominster so they lose my shopping biz that week.	4/13/2017 3:44 PM
217	It means I cannot shop in town. The noise, the cables we trip over, Hordes of dirty, scruffy people who seem to come out of the woodwork when the fair is on. I won't bring my children into town either, because it really does not feel a safe environment for them during this period.	4/13/2017 3:28 PM

Leominster Fair

## Q8 Do you have any suggestions about how the Leominster Fair could be improved?

5	Yes I can people stop complaining and let those who like it enjoy it	5/31/2017 3:28 PM
6	By not being in the town centre. Leominster is too small to accommodate a fair in its street. What about Etnam Street car park or the Grange?	5/31/2017 3:26 PM
7	I think the fair is very efficient in putting up and tidying up after. I'm all for it. This form could do with an address.	5/31/2017 3:23 PM
8	cut to 2 days - and one day e.g. Saturday becomes a massive event - with every street closed for a market event	5/17/2017 1:40 PM
9	move it to the car park	5/17/2017 1:38 PM
10	put it back in the Broad Street car park - kids don't mind where it is and business can continue to trade in town	5/17/2017 1:37 PM
11	move out of corn square	5/17/2017 1:36 PM
12	Gas works car park	5/17/2017 1:34 PM
13	Different place not in town centre. It's not big enough for massive trucks. The buildings are very old, most have no foundations. The trucks are too big and the noise from generators shake the floor boards	5/17/2017 1:32 PM
14	hold it on land outside town	5/17/2017 1:29 PM
15	move it somewhere else	5/17/2017 1:28 PM
16	Hold on fire station car park	5/17/2017 1:27 PM
17	no	5/17/2017 1:26 PM
18	Yes, educate parents on how to bring up children properly. Ban political correctness & bring back common sense & respect	5/17/2017 1:26 PM
19	move it to the outskirts of town	5/17/2017 1:23 PM
20	move it to Hereford	5/17/2017 1:22 PM
21	Gas works	5/17/2017 1:22 PM
22	move to Luston	5/17/2017 1:21 PM
23	no	5/17/2017 1:18 PM
24	A market town with history	5/17/2017 1:18 PM
25	Move it back to the gas works or similar place - there isn't any atmosphere as it is!	5/15/2017 2:37 PM
26	Hold the fair on the car parks where toilets etc are available	5/15/2017 2:19 PM
27	Gag the kids	5/15/2017 2:17 PM
28	I think the fair should continue on the car parks or other suitable ground	5/15/2017 1:10 PM
29	Keep it going as it is	5/15/2017 12:22 PM

## Leominster Fair

30	Cleaner streets the day after the fair leaves. It will be a lot tidier than normal!	5/15/2017 12:21 PM
31	No	5/15/2017 12:20 PM
32	maybe move from Broad St ( to keep road open) and put down the grange	5/15/2017 12:20 PM
33	Fine as it is	5/15/2017 12:16 PM
34	The fair could stay longer I love it	5/15/2017 12:15 PM
35	Keep it going	5/15/2017 12:14 PM
36	No, as it's not here for long	5/15/2017 12:13 PM
37	Extend by 2 days	5/15/2017 12:10 PM
38	move down onto the gas works car park. The fair is an unwanted burden.	5/15/2017 12:10 PM
39	re-site giving access to the main shops & market. Price reductions	5/15/2017 12:07 PM
40	Should be moved away from Town Centre	5/15/2017 12:07 PM
41	Be better in one place so those wanting to use the fair can visit but doesn't block shops and prevent business in the town	5/15/2017 12:05 PM
42	out of town - noise & fumes!!	5/15/2017 12:02 PM
43	perhaps move it to a car park?	5/15/2017 12:01 PM
44	by moving it onto Broad St car park where it has been sighted previously	5/15/2017 12:00 PM
45	put it back on Broad Street car park	5/15/2017 11:59 AM
46	move the fair from the main street/residential areas - too much noise, smell and people	5/15/2017 11:58 AM
47	Free parking for duration of May fair	5/15/2017 11:56 AM
48	perhaps Leo town council could do free parking for the duration of the fair & ask the traffic wardens not to come so it encourages shoppers & fair goers	5/15/2017 11:55 AM
49	not to have it in town	5/15/2017 11:52 AM
50	move it to the outskirts like a vacant piece of land. It would be nicer position than in town, for the visitors to the fair	5/15/2017 11:51 AM
51	I love the traditional fair for all ages. It brings in people from all over the surrounding area. The pubs and take aways are very busy on these evenings.	5/11/2017 3:22 PM
52	Put it back in the lorry park which is now empty at night due to council charges. Most lorries use the OK diner garage yard to park in. The fair operators are very respectful of noise nuisance and their rides and generators are very quiet. Heaven help us if there was a fire in corn square or broad street, there is no proper thought into that possibility. Has a risk assessment been done, I seriously doubt it. The kids need some entertainment and the carnies need a living. neither would be affected if the lorry park was used, which ironically is closer to my home but I wouldn't mind.	5/10/2017 5:48 PM
53	allow it to occupy more streets	5/10/2017 12:32 PM
54	Alternative would be Etnam Street Car park	5/10/2017 9:18 AM
55	This year it was awful!	5/10/2017 6:29 AM
56	Move to a different place with more space to enable bigger rides and more rides to come.	5/9/2017 9:05 PM
57	If it was put in the broad st car park there would be more space for more variety of bigger rides	5/9/2017 8:56 PM
58	ok as it is	5/9/2017 3:34 PM
59	Yes - it should stop	5/8/2017 10:32 AM
60	Stop listening to the few with a voice and start listening to the many who love the fair just the way it is.	5/7/2017 9:16 PM
61	Cheaper :)	5/5/2017 11:22 PM

## Leominster Fair

62	I avoid coming into town to shop when the fair is here as it is very unnerving having so many people in such a small area. I remember when the fair was in the gas works carpark and feel it was far better and had a happier atmosphere, it felt more like a fairground having it all in one space and not having to worry about traffic driving through.	5/5/2017 4:53 PM
63	Move it away from streets	5/4/2017 6:43 PM
64	It would be better in one location away from the streets, Leominster local shoppers avoid the town when it's here so the shops suffer and with the expensive nature of the fair they then don't have money for a time after its gone, so I wonder what is the advantage to the fair being in the town at all.	5/4/2017 6:33 PM
65	It could be placed on Broad Street Car Park, Bridge Street Car park. Still close to town without the upheaval to local businesses, who suffer financially due to the fair being held on their doorsteps.	5/4/2017 8:38 AM
66	It should be ended.	5/3/2017 10:39 AM
67	No!	5/2/2017 7:56 PM
68	Longer period of fun fair time!!!! It's here and gone far to quick!!!	5/2/2017 6:38 PM
69	Stop holding it in Leomister town itself	5/2/2017 8:05 AM
70	Keep it as it is long live the fair	5/1/2017 10:38 PM
71	More Bigger rides and for prices to be £2 per ride. To have a happy hour at night time aswell	5/1/2017 8:25 PM
72	It was in the gas works in car park by fire station it should of stayed there now its been in the town for years everyone young and old loves it stay where it is in town thanks x	5/1/2017 11:04 AM
73	Better held outside of town centre	5/1/2017 10:53 AM
74	Keep the tradition going.	5/1/2017 9:28 AM
75	The may fairs are an integral and historic part of the towns fabric.it would be a travesty for it to betaken out of the town and i for one would stop visiting (from swansea) if it were to be moved from tge streets.	5/1/2017 8:27 AM
76	this and hereford are great fairs and should remain as part of the heritage	4/30/2017 10:55 PM
77	No	4/30/2017 10:38 PM
78	Please provide ramps for scooter users, I have 4 grandchildren and find it difficult and stressful on the scooter	4/30/2017 10:01 PM
79	Change the rides more regular because its a change of scenery	4/30/2017 9:08 PM
80	No I havnt got no suggestions bout the fair.	4/30/2017 8:57 PM
81	Should be moved to a field more hassle on the streets of Leominster	4/30/2017 6:13 PM
82	fair could be held in broad St car park now it's not used as much due to high costs	4/30/2017 5:49 PM
83	Put it back in the gas works, all in one place.	4/30/2017 5:29 PM
84	made bigger and longer	4/30/2017 4:55 PM
85	Should be held down at the gas works if Leominster were it was for many years	4/30/2017 4:36 PM
86	move it to fire station carpark	4/30/2017 4:19 PM
87	OPEN LONGER	4/30/2017 1:40 PM
88	Move it somewhere bigger like bridgestret sports centre	4/30/2017 12:18 PM
89	Keep the fair where it is as it has always been.	4/30/2017 11:43 AM
90	Advertise the fair more & the showmen.	4/30/2017 11:24 AM
91	Do it when the weathers better. Hello	4/30/2017 9:03 AM
92	No	4/30/2017 8:43 AM
93	Yes it's Lovely for the fair to come to town it's the towns history, not much left of the old traditions hope they don't take it away we love it with the family.	4/30/2017 8:18 AM

## Leominster Fair

94	Stick it in a field out of town a complete waste of money and when people come into town they can shop in piece as you can see I hate the fair and think it's a complete waste of money	4/30/2017 7:48 AM
95	We know the dates. The fair was in the area before we were - so we work with it.	4/30/2017 7:27 AM
96	Leominster street fair is a British tradition. Keep it in the streets, don't spoil it.	4/30/2017 7:25 AM
97	If it has to come then to be held out of town. I dont see who gains from the fair except the fair. I heard money is given yo hereford for hosting the fair, is this correct? If so why does Leominster benefit?	4/30/2017 6:30 AM
98	Make it bigger	4/29/2017 11:36 PM
99	Iconic	4/29/2017 7:28 PM
100	The fair is a great asset to Leominster and should remain in the street as it brings a lovely atmosphere and tradition	4/29/2017 7:12 PM
101	More drum and bass on the waltzers is fantastic	4/29/2017 7:05 PM
102	Continue with traditions and keep the May fair for generations to come. A historical event that is a pleasure to visit	4/29/2017 5:31 PM
103	I think It would be good if the shops did a late night shopping whist the fair is in town!!	4/29/2017 5:16 PM
104	Yes. Move it out of the town. If people still want to go to the fair they will. It should not disrupt the businesses it should not disrupt the shoppers and it should not be a nuisance to the local residents.	4/29/2017 3:36 PM
105	Possibly the car park by the fire station would be less disruptive as a site.	4/29/2017 2:47 PM
106	Just in an area where the noise does not impinge directly on a residential area.	4/29/2017 1:39 PM
107	Yes made bigger	4/29/2017 11:56 AM
108	Yes move it to the broad street/bridge street carpark. Or on a field out of town.	4/29/2017 11:41 AM
109	Choose a suitable alternative site within Leominster	4/29/2017 11:36 AM
110	Move it to gasworks car park	4/29/2017 11:18 AM
111	Keep it where it is	4/29/2017 7:07 AM
112	The Leominster fair should be held in the gasworks carpark by the fire station like it used to be. Don't know why it was moved.	4/29/2017 6:30 AM
113	Increased litter picking during and after. Encourage the shops to utilise the opportunity of increased footfall to get people into their shops- better window displays, offers etc. Late night opening when the fair is in town.	4/28/2017 7:32 PM
114	Keep it near or in Leominster but not in the main streets I suggest the big field out of Leominster where the circus goes or in one of the big car parks e.g. Broad Street. Have a park and ride hopper bus if its out in the field so families and young people can still go.	4/28/2017 6:17 PM
115	move to the field off a49 roundabout where the rest of the non council tax paying gypsies make their money. PS: FIX THE BLOODY ROADS	4/28/2017 5:46 PM
116	Leave it as it is. You're so bloody intent in Hereford to make the Leominster residents poor cousins, leave us the fair at least!!	4/28/2017 5:22 PM
117	I think moving the May fair to a more practical and safer place would benefit the public aswell as public services i.e. Paramedics and police, if the matter of an emergency or disruption arrises. This would also help local businesses who have in fact been within the town of Leominster longer than the fair itself. Therefore having the fair moved to a larger and more convenient area would prevent loss of trade & income for business owners.	4/28/2017 4:46 PM
118	stop blocking the dropped kerbs with rides, this year my grandson couldn't get round half of it in his electric wheelchair	4/28/2017 3:06 PM
119	To be put back into the broad Street carpark by the fire station	4/28/2017 3:00 PM
120	Move it to the Grange area so it's all in one place	4/28/2017 1:40 PM
121	It's brilliant	4/28/2017 1:05 PM

## Leominster Fair

122	Get a better range of rides (for all ages) as there's nowhere near as many rides here now as there was when I was little.	4/28/2017 12:44 PM
123	Less food stalls more rides	4/28/2017 11:19 AM
124	Cheaper rides Let it run later for adults to use without kids being there	4/28/2017 10:53 AM
125	Do not visit Leominster when the fair is in town, as it causes too many problems getting to the shops. The fair should be located away from the streets.	4/28/2017 10:39 AM
126	Would prefer to see the Fair on the town outskirts, as is any visiting circus	4/28/2017 10:38 AM
127	This is not a fair that enhances a medieval market town it's noisy disruptive and should be in a field or on a car park	4/28/2017 10:24 AM
128	Moved to a larger area of the street's would be wonderful and I'm sure people would enjoy it more if there was more space.	4/28/2017 10:06 AM
129	The fair is a major disruption and health and safety concern, to hold it in the streets. How can a fire tender rescue trapped people, in the case of a fire, when the fair is blocking the streets? The fair should be held in the car park at the bottom of Broad Street like it used to be!	4/28/2017 10:06 AM
130	Broad Street is a confined place for such large and heavy equipment - somewhere more open would be suitable.	4/28/2017 9:37 AM
131	Better rides	4/28/2017 9:12 AM
132	Cheaper and more rides	4/28/2017 8:59 AM
133	Resite it to the outskirts of Leominster. Many local people avoid coming to the town when the fair is on and businesses suffer (I previously owned a business in the town for 6 years and trade was consistently poor during the visit of the fair).	4/28/2017 8:58 AM
134	Move it to the Broad Street car park	4/28/2017 8:38 AM
135	Move it back to the Broad Street car park so that its all in one place, the roads and pavements are in a bad way already we don't need more heavy traffic making it worse.	4/28/2017 8:32 AM
136	Move the fair to the field by Morrisons or maybe to the fire station carpark	4/28/2017 8:26 AM
137	Yes change the dates of the fair as everytime it's I. Leominster it always rains hut when in Hereford it's always Sunny	4/28/2017 7:28 AM
138	Just move it to a more suitable venue	4/28/2017 7:18 AM
139	A location out of town or not have it	4/28/2017 6:29 AM
140	It was much better when it was in the car park,less disruption,residents not kept awake due to noise	4/28/2017 12:14 AM
141	Move it!!! It's spread through broad street and the square effectively stopping access to an hours free parking, it limits disabled drivers and wheelchair users massively. Broad street and the square are where our main banks are and access is compromised for all. It's not safe or easy to drive up church street which stops access to social services, youth hostel and the Brandon trust building, not forgetting the Forbury nursing home which may require ambulances or other services. I appreciate it's only for 3 days but the inconvenience makes it a long 3 days.	4/28/2017 12:01 AM
142	Either move it or lose it altogether	4/27/2017 10:34 PM
143	no price increases as they visit many towns over a small period of time in herefordshire and there homes are bigger every yr so obviously making loads of money	4/27/2017 9:34 PM
144	More ride and cheaper so kids can enjoy it more without the parents running out of money	4/27/2017 9:33 PM
145	More rides!! Brings so much custom to local shops	4/27/2017 8:48 PM
146	It's called the may fair but it's gone by may.	4/27/2017 8:37 PM
147	Moved back into gasworks carpark	4/27/2017 8:29 PM
148	Not have it!	4/27/2017 8:17 PM

## Leominster Fair

149	I think the fair would do much better held down by the fire station car parks, plenty of room all in one place, no road closures, no disruption to traffic and trade....during the fairs visit to the town my business suffers with the noise the fumes are disgusting, the rubbish and the violence and theft. We have already had fair boys in trying to buy items with forged notes. I loved the fair as a child but put it somewhere sensible!!!!	4/27/2017 8:16 PM
150	More policing	4/27/2017 8:07 PM
151	Used to be held in the car park by the factory shop, much better as the town was still accessible for trade. The town shops are struggling already with less trade, also car parking fees make it less favourable to visit the fair and shop	4/27/2017 8:07 PM
152	Move to gas works	4/27/2017 8:04 PM
153	The fair has been in the streets for as long as I can remember. I am eighty. It has a lovely atmosphere which wouldn't be the same if it were in a different place. It is only for a few days. The streets are left clean and tidy. I can't see the problem and don't think there are any improvements to be made.	4/27/2017 7:46 PM
154	Take it back to gas works car park. Always knew of it being in the carpark as a child	4/27/2017 7:35 PM
155	Move it to an area outside of town centre which doesn't affect trade and businesses.	4/27/2017 7:34 PM
156	Hold the fair away from historic buildings, it adds no character to the town.The local shops admit it brings no more trade into the town in fact less due to disruptions with parking trade drops off.	4/27/2017 7:21 PM
157	Move it back to the gas works carpark	4/27/2017 7:16 PM
158	the fair should be away from residential and business areas. whoever decides on this being in the town i suggest spends the night at my home. would you want it next to your home of course you would not it's disgraceful.	4/27/2017 4:10 PM
159	Some of these questions need a n/a facility for people that live in Leominster. Do the Fair contribute money for using the Town.?	4/27/2017 3:11 PM
160	Move it back to the car park	4/27/2017 2:24 PM
161	to be held outside of the town street perhaps on the Broad Street car park where it was perfectly fine for many years. It also keeps it all in one place instead of having people moving about the town centre having to visit in effect 2 fairs one in Broad Street and one in Corn Square.	4/27/2017 1:08 PM
162	Not really.	4/27/2017 8:38 AM
163	No	4/26/2017 9:39 PM
164	Move it to the large lower car park by the Fire Station. No noise pollution in town. Maintain town centre trade. Hardstanding so no damage to the town streets, furniture and sidewalks/pavements. Lavatories on site.	4/26/2017 5:11 PM
165	I think it is a great tradition to have the fair but I think the big car park behind the factory shop would be a much better place to have it. It makes the streets and pavements difficult to negotiate and not every resident or visitor wants to hear the noise or experience the crowds. To make sure everyone is kept happy I think the car park is a better site. I think it would be safer too.	4/24/2017 4:46 PM
166	It may be an idea to move it to the outskirts of town away from the enclosed area within the town	4/24/2017 4:01 PM
167	Yes move it from the towns streets	4/24/2017 3:50 PM
168	yes move to a single site	4/24/2017 3:50 PM
169	Move out of town centre	4/24/2017 8:09 AM
170	It should run for 365 days each year and all the rides should be free.	4/23/2017 8:03 PM
171	It could be staged in the car park at the bottom of broad street or a field location on the edge of town	4/22/2017 4:28 PM
172	Get it out of town. It's madness that it's there when it severely impacts on all businesses. Then people who want to use the shops can do so without fear and intimidation and those wishing to visit the fair can do so out of town.	4/22/2017 2:37 PM
173	Having the Mayfair Back in the Broad Street Carpark would bring in more people as there is always more of a selection of rides	4/22/2017 10:55 AM
174	Locate to an edge of town site. Everyone wins.	4/22/2017 9:39 AM

## Leominster Fair

175	Take it off the streets as it is smelly, noisy and disruptive. Maybe hold the fair in a field on outskirts of town.i	4/22/2017 9:30 AM
176	Its been in Leominster Streets for Hundred years and its part of the Culture , and its only 3 days .	4/21/2017 7:13 PM
177	A modern fair with rides is totally incompatible with the old town centre. It must be damaging to the old buildings and a horrific disruption for the poor residents all around it (I would have thought a health/safety/wellbeing issue for them?). It makes far better sense to find a site outside the main town where there is plenty of space with parking,with no concern of noise, so the fair can maximise what it offers. This will allow the town to continue to function, businesses can stay open, cafes enjoyable etc for locals and also for visitors who want to visit the lovely town over the Bank Holiday. Many visitors are taken by unpleasant surprise when they have a day trip or holiday in the area and don't know the fair is on. They can't see Leominster as they had expected, with everything open and nice to visit, walk around etc. If the fair was on an appropriate site then both the town and fair can happily operate side by side over the holiday weekend suiting what everyone wants to do and no one would loose out anymore.	4/21/2017 5:40 PM
178	Moving it to somewhere like brightwells sale yard would help to keep streets open.	4/21/2017 4:33 PM
179	Put it on Broad st car park	4/21/2017 3:44 PM
180	If it could be positioned on the Broad Street car park, the disruption to the traders would be minimal and LIB's work would not be disturbed.	4/21/2017 3:03 PM
181	start the fair earlier in the afternoon on the 3 days here,for the younger and possibly older fairgoers.	4/21/2017 1:46 PM
182	siting on field out of town or gas works carpark	4/21/2017 11:44 AM
183	Place it in a field out of the town	4/21/2017 11:30 AM
184	It would be nice to have it expanded but I appreciate the practical problems for resident access, fire and so on, but School Lane could be used for small stalls/sideshowes etc giving more room in the Square for larger rides etc.	4/21/2017 11:23 AM
185	It just needs to be relocated from our medieval town centre,also much damage is sustained to the pavements and roads from the massive lorries and machinery which we can ill afford to repair. This leaves the visitors and residents of Leominster facing a significant risk of injury from trips and falls.	4/21/2017 9:11 AM
186	Cut the noise.	4/21/2017 8:39 AM
187	Yes, it could be moved to the gas works car park.	4/21/2017 8:00 AM
188	When I was a little girl the fair used to be on the old gas work car park, when it moved into town ithe rides and stalls had to be reduced to fit in and it always looks cramped and the noise for some the residence who live around the fair must be so loud and is really unfair on them	4/20/2017 8:51 PM
189	Get it off the streets	4/20/2017 6:41 PM
190	To a field close to town	4/20/2017 6:34 PM
191	It's one of the only things that happen in the centre of Leominster and is very looked forward to by most.	4/20/2017 6:12 PM
192	The roads could be improved so I don't get a burst tyre driving there	4/20/2017 6:02 PM
193	Put the fair on the gas works carpark all in one place	4/20/2017 5:58 PM
194	Find another out of town site or no longer hold it in Leominster.	4/20/2017 2:48 PM
195	As mentioned above only small stalks should be in the streets with large machines in the car parks or other open spaces.	4/20/2017 2:42 PM
196	Maybe it could be on Etnam Street car park? Or Dishley Street?	4/20/2017 1:37 PM
197	move it to the broad street car park or perhaps the car park by the swimming pool and school which are not used as much during the bank holiday period	4/20/2017 1:26 PM
198	Move it somewhere other than the town	4/20/2017 12:41 PM
199	Use more streets and make it bigger	4/20/2017 12:19 PM
200	I think Broad Street car park wold be a better location	4/20/2017 11:31 AM

## Leominster Fair

201	keep it where it is. its only 3 days.	4/20/2017 11:09 AM
202	no just leave it where it is	4/20/2017 10:51 AM
203	Perhaps move it to the large Broad Street car park	4/20/2017 10:13 AM
204	No.	4/20/2017 9:19 AM
205	The May Fair is a viable economic annual event, and has been so for hundreds of years. Many small businesses profit from the 3 day visit. Please do not let the people of Leominster suffer because of the annoyance and disruption it may cause to the local council. I ask we will be requested to complete a survey about the Christmas lights next? I would also like to point there is an old law that stipulates on the condition there is a May Fair Ride in Leominster Town on May Day, then the Fair is to continue for the following year. Please do not let these old laws be forgotten as we have done so for the Bridge Street car park and it's parking fees to lorry drivers.	4/20/2017 7:39 AM
206	Put it back in the broad street carpark where it is safer for young children away from traffic	4/18/2017 4:17 PM
207	The fair does not need any improvement! It is for 3 days once a year! Leave it in the streets so the people of leominster have something to look forward too. I know alot of people who visit from other towns and even country's for the fair! It brings people to our beautiful town and there is no need to move it from our streets.	4/17/2017 7:31 PM
208	Move from the centre of town. Not fair to town businesses	4/17/2017 8:05 AM
209	Maybe just leave it alone, Leominster is dying because the council in Hereford try to run it like Hereford !! It is not Hereford it is just a small town being run into the ground by hereford, Leave Leominster alone. But first Repair the roads in and around it.	4/17/2017 7:57 AM
210	more of it	4/16/2017 8:17 PM
211	Shops I go to our supermarkets, would have no reason to go through town, would avoid town during running time of fairs	4/16/2017 7:03 PM
212	cancelled	4/16/2017 6:41 PM
213	I use leominster the same when the fair is there to when its not my children use the fair and myself and partner always go not really for the rides now but it is a tradition, the fair weather good or not for the town, it is always a child's highlight and will hopefully continue in leominster even if not in the street,	4/16/2017 5:56 PM
214	To keep it in the streets and expand it	4/16/2017 5:47 PM
215	Just leave it where it is to keep all the people who love the fair happy.	4/16/2017 4:21 PM
216	Keep it in the streets	4/16/2017 4:12 PM
217	Please return it to the gas works car park so that those who want to go can go and those who don't can avoid it whilst still going about their business in the town centre	4/16/2017 4:03 PM
218	moved to the carpark area	4/16/2017 4:03 PM
219	It's traditional - it's lovely ..... opposing My Fair is Leominster or any of the Herefordshire venues will, with time, in my experience, result in less trade. Towns/Cities that allow such things are more likely to flourish. Shopkeepers of past times were more welcoming.	4/16/2017 1:50 PM
220	More of it covering a larger area	4/16/2017 10:03 AM
221	It could be moved to a larger site that causes less disruption to the town centre.	4/16/2017 7:51 AM
222	It should be placed in one of the many fields outside of town or better yet next to the police station, wherever they put the circus	4/16/2017 3:10 AM
223	Keep it from Leominster all together it's a rip off	4/15/2017 6:16 PM
224	Move to an appropriate location which is both safer to the public using the fair and less intrusive to the town centre and those who both work and shop there.	4/15/2017 4:21 PM
225	Move it somewhere else where it doesn't affect so many people	4/15/2017 11:12 AM

## Leominster Fair

226	Yes just leave it the hell alone. Everytime the council 'improves' something all that happens is that the character of the place/event etc gets stripped away and some sterile ill informed replacement is born and a twee smug press release is issued saying what a great success it is and how it's bringing whatever it is 'into the 21st century' or it ' Still a fair but with a twist' or some other nonesesne. PLEASE just stop destroying things in the name of 'improving' them, it's fine as it is and it's only 3 days.	4/15/2017 11:04 AM
227	Place it on the outskirts of town where people can enjoy it without damaging trade in the town itself	4/15/2017 10:49 AM
228	I feel the fair would be more beneficial to be held in a different location. It does not add to any increase in trade for us shopkeepers, it results in loss of trade during these times.	4/15/2017 9:22 AM
229	Fair should be returned to the car park on bridge street	4/15/2017 8:39 AM
230	Put it on the outskirts, in the field where the circus goes	4/15/2017 8:33 AM
231	Move it out of town or to the Bridge Street car park where it would be slightly less annoying.I believe in tradition but the present form of the fair is very unattractive and of no local interest. Maybe a few smaller rides for small children and some local interest stalls or a totally new approach e.g.a multi ethnic fair with stalls of street food/crafts from all the ethnic groups represented locally	4/15/2017 7:50 AM
232	Move it outside the town	4/15/2017 6:53 AM
233	Move to a location where it can all be together	4/15/2017 5:02 AM
234	move it to a car park	4/15/2017 2:36 AM
235	Moved away from the town.	4/14/2017 11:23 PM
236	The suggestion of moving the fair to the car park where the fire station is situated is a valid one. It's out of the way, there's plenty of room and traffic would run a lot smoother through the town centre.	4/14/2017 11:06 PM
237	This is a local tradition and is a very important occasion in the town calendar.	4/14/2017 10:03 PM
238	Move out of town centre as too obstructive.	4/14/2017 9:58 PM
239	By leaving access to broad street and access to corn square	4/14/2017 9:56 PM
240	Move to another new location such as gas works car park	4/14/2017 9:42 PM
241	No	4/14/2017 9:22 PM
242	make it bigger	4/14/2017 9:08 PM
243	Move it to the gas works car park or down the Grange.	4/14/2017 8:59 PM
244	No	4/14/2017 8:42 PM
245	Moved to field within walking distance of the town	4/14/2017 8:27 PM
246	Gassworks	4/14/2017 8:24 PM
247	By shooting down the shopkeepers who blame the fair for their own inabilitis.	4/14/2017 8:20 PM
248	Leominster Fair does not need improving it just needs to stay in the streets, where it belongs.	4/14/2017 8:16 PM
249	It's only held a couple of days per annum so I believe it is reasonable to retain the fair within the Town.	4/14/2017 8:11 PM
250	Find a site that doesn't involve grinding the town to a halt.	4/14/2017 8:00 PM
251	Move it to the firestation car park	4/14/2017 7:55 PM
252	I could see how difficult it could be for some, however it brings many people into leominster as well as people that will avoid the town. It's a tradition that I would hate to see Leominster loose. It's an annual event that is important for a market town. I liked the fair when at Pinsley car park years ago, it seemed safer and a better venue that maybe the streets.	4/14/2017 7:50 PM
253	Move back to the gas works	4/14/2017 7:43 PM
254	Move back to the gasworks car park	4/14/2017 7:36 PM
255	All in one area would be better and add more atmosphere	4/14/2017 7:36 PM

## Leominster Fair

256	Yes back at the gas works so people who live in town can live, work and carry on. I remember fondly of it at the gas works as a chil all in one place and all the smells lights and sounds in one place.	4/14/2017 7:30 PM
257	Move it	4/14/2017 7:28 PM
258	the traffic is dangerous through town when Broad Street is closed. The state of highways makes Leominster very dangerous. Fair is great its the council part that lets it down. Traffic & Highways	4/14/2017 7:11 PM
259	its disruptive for 3 days let it be they have a living to make, I lived next to the lorry park in Leominster for 10years and the fair people were great, never a problem and if there was it was sorted there and then	4/14/2017 7:07 PM
260	move out of the streets. used to be in the broad street car park which was better.	4/14/2017 7:04 PM
261	Move it somewhere more suitable safer and local business conscious	4/14/2017 6:54 PM
262	Move it to a field on the outskirts	4/14/2017 6:53 PM
263	nope	4/14/2017 6:45 PM
264	YES leave it alone	4/14/2017 6:28 PM
265	Put back down gas works or a field,	4/14/2017 6:14 PM
266	Locate close to town , field , car park	4/14/2017 6:10 PM
267	If it didn't take up three and a half carparks (especially on a Friday when the market is also on) more people could potentially use the towns very limited facilities	4/14/2017 6:02 PM
268	Think the fair conjestes the town and causes an obstruction to all shops i have teenage son but still feel it safer and better on a carpark or the grange is a good place in my mind	4/14/2017 5:58 PM
269	Tenbury has its out of town, and it was so much less crowded. Constant fear on tripping on wires and having to walk and dodge so many people and rides. Moving it may increase the amount of space to move around. This year will be my first fair walking without a parent, and the crowds can feel dangerous.	4/14/2017 5:57 PM
270	Move it out of the streets	4/14/2017 5:53 PM
271	make it bigger but away from town streets in bridge street carpark	4/14/2017 5:50 PM
272	It would be better sited out of the town centre.	4/14/2017 5:39 PM
273	More car parking	4/14/2017 5:31 PM
274	Hold it out of town	4/14/2017 5:29 PM
275	Why not have one fair at the racecourse in May	4/14/2017 5:17 PM
276	Should be held in the fire station carpark .. the fair in town does it no favours	4/14/2017 5:10 PM
277	Have it all in one place rather than in several streets, this would allow expansion of the fair in the future.	4/14/2017 4:54 PM
278	i remember the fair being in the old gasworks carpark and I think it was much better being held there	4/14/2017 4:38 PM
279	Move it to the car park by the fire station	4/14/2017 4:34 PM
280	The fair should be located in the car park by the fire station where it was originally.	4/14/2017 4:31 PM
281	All in one place rather than dotted on the streets and squashed up, if there was more room the rides would be better	4/14/2017 4:29 PM
282	Lower the prices for the first hour every day	4/14/2017 4:25 PM
283	By moving it its own enclosed place, so pedestrians are safer	4/14/2017 4:24 PM
284	The music could stay on longer, you lose the atmosphere once the music goes off	4/14/2017 4:12 PM
285	Move it out of town	4/14/2017 4:12 PM
286	Move it back to large space like enterprise park or gas works car park and waver 3 days of parking charges	4/14/2017 4:06 PM
287	No	4/14/2017 4:02 PM

## Leominster Fair

288	Move it back to the gas works car park to free up the town centre	4/14/2017 4:01 PM
289	If it was smaller scale like the original old fashioned fair would have been fine but as it is now it should be out of town with plenty of parking and room for the rides	4/14/2017 3:51 PM
290	Just move it in quieter spot field excetera	4/14/2017 3:50 PM
291	having more rides on a bigger site out of town might make it more interesting. I avoid town during fair week as there aren't enough rides to be worth visiting and it makes the town noisy. I would rather take my children to somewhere with more rides such as Hereford fair or a theme park	4/14/2017 3:44 PM
292	All it is now is a fair, which many people enjoy. However, there in't even a nod to the origins of Mop Fairs so it doesn't need to be ilin town centre. A suitable area away from homes and businesses would be better.	4/14/2017 3:43 PM
293	Move it to a more suitable site.The fair has changed from the more 'town friendly' version of the past.	4/14/2017 3:25 PM
294	It is only in town a short time and lots of people have lots of fun.	4/14/2017 3:21 PM
295	Less stalls, more rides & lower prices to go on the rides	4/14/2017 2:52 PM
296	Question 4 not clear	4/14/2017 2:21 PM
297	move it out of town...	4/14/2017 2:08 PM
298	Moved out of Broad Street	4/14/2017 2:07 PM
299	Move it to the Fire Station Car park.	4/14/2017 2:07 PM
300	You can't please everyone. The fair is a traditional event. Leave it where it belongs!	4/14/2017 2:04 PM
301	Move it out of town	4/14/2017 2:03 PM
302	Move to Gasworks!	4/14/2017 2:03 PM
303	Maybe an earlier closing time for the residents that live in the streets where its held. It's got to be annoying with the lights and noise going on until late has got to be annoying.	4/14/2017 2:02 PM
304	I'm sure an appropriate venue can be found for the fair to continue to prosper.	4/14/2017 1:59 PM
305	In gas works car park, more rides for older children. Open later at night. More police presence	4/14/2017 1:57 PM
306	Moved to gasworks	4/14/2017 1:56 PM
307	Moved up by the bridge street leisure centre	4/14/2017 1:54 PM
308	Move back to gas works where it used to be when I was young.	4/14/2017 1:50 PM
309	Move it back into old gasworks car park where it was when I was a youngster and then it wouldn't cause any disruption to town centre. Let people visit the town without it being blighted with noise and fumes.	4/14/2017 1:46 PM
310	My dad and the mayors fought for the fair to return to the streets of l3ominster ..and as been there since they won . The fair as u have found out use to be always in the streets . Let's keep it were it belongs .. help support the shops .plus it got moves from the gas works due to the old people's home been built .. it was around 1987 when the fair was returned to the streets and no one as complained untill now .. which is probably someone out of town that as moved to leominster .. let's save the fair again and leave in the streets	4/14/2017 1:44 PM
311	Move it to the gasworks carpark	4/14/2017 1:44 PM
312	Move it from the centre as it is disruptive to businesses.	4/14/2017 1:43 PM
313	The rides etc are to big and noisy some retailers say that there buildings vibrate. Also the state of the roads and pavements cannot take much more stick .	4/14/2017 1:41 PM
314	The modern fairground attractions are too large and noisy for the narrow streets. They are great entertainment and should be set up somewhere nearby such as the Bridge St. carpark. A traditional or medieval fair in Corn Sq at the same time would be a great attraction.	4/14/2017 1:40 PM
315	I think it would be wise to look at other locations as we need to protect the High Street independents who make Leominster great (many of which are my clients and keep me in business as well).	4/14/2017 1:28 PM
316	Move it back to the gas works carpark	4/14/2017 1:23 PM

## Leominster Fair

317	The old gas works would be perfect would be a brilliant site to move it to. More police WALKING around the fair .	4/14/2017 1:21 PM
318	move it onto gas works car park	4/14/2017 1:12 PM
319	remove your do gooders from this survey	4/14/2017 1:08 PM
320	Moved to the old gas works car park.	4/14/2017 1:03 PM
321	Move it out of the town completely. The roads are in a poor enough condition with crime plenty high enough as it is without this noise and smell polluting toxic junk in the town as well.	4/14/2017 1:00 PM
322	The noise is overwhelming and the machinery and equipment is on an industrial size. This noise and vibration is not fair to local residents and businesses and there must be a risk to damage to the older structures in the town centre. The solution is to hold the fair on outskirts of town, or stop it completely. The modern day fair ground has no place in the town centre of a medieval historic town.	4/14/2017 12:52 PM
323	Move it to the fringes of town, and maybe only have the small children events in the centre of town. Also, add other events alongside, ie market or giant car boot for those that like that stuff.	4/14/2017 12:45 PM
324	Move it to the Grange	4/14/2017 12:36 PM
325	Keep it in the streets!!! It's only 3 days a year.	4/14/2017 12:36 PM
326	More parking could be provided free of charge to encourage more people to visit and spend money in Leominster	4/14/2017 12:35 PM
327	Put back into a car park or on a single area	4/14/2017 12:27 PM
328	Needs to be in a bigger out of town venue as the rides are now too big for the town centre	4/14/2017 12:10 PM
329	Put it at the car park or up at the grange	4/14/2017 12:10 PM
330	No. Its traditional. Well run and brightens the Town up.	4/14/2017 12:03 PM
331	More clean up staff	4/14/2017 12:01 PM
332	Hold out of town	4/14/2017 12:00 PM
333	Broad street carpark is ideal. Walking distance for the majority of town folk	4/14/2017 12:00 PM
334	Have the people who want the fair moved lived here all their eye came from don't like lives I bet not iexpect they are not locals who want to keep changing our lovely town and customs please leave the fair in the streets and if they don't like it go back to where	4/14/2017 11:59 AM
335	find another venue. as a shop owner it is difficult enough to get people into the shops - this only makes the problem greater	4/14/2017 11:51 AM
336	Put it somewhere else on the edge of town.	4/14/2017 11:48 AM
337	I am certain returning it to Broad Street car park would mean people would walk through the town (and actually be able to see it).	4/14/2017 11:46 AM
338	Why not site it on the bridge street car park as it used to be. There would less disruption for shops in the town and less stress to the fabric of the buildings.	4/14/2017 11:40 AM
339	It should be put in one place on the outskirts of town so passing traffic could visit it better!	4/14/2017 11:39 AM
340	The town is for both young and old, I loved the fair as did my daughter, as I hope her children will too It brings people together in a social and memorable way that is part of growing up in this lovely town. 3 days of mild inconvenience versus a lifetime of happy memories. Free parking would help both the fair visitors and the displaced grumblers.	4/14/2017 11:39 AM
341	I used to live in school road and it was a nightmare to get up church street to home when the fair was on BUT I didn't complain at all- it's a great thing for Leominster and I fully support it being in the streets as it has done for many years. Move it to somewhere else and they will lose custom and eventually Leominster will lose the fair all together. Honestly, people are quick enough to moan there's nothing for children to do, then moan about the few things that are available! You can't educate pork I guess!	4/14/2017 11:27 AM
342	yh it could be cheaper, council stop charging ridiculous prices for the fair to be here, its a disgrace, and pure greed	4/14/2017 11:23 AM
343	Move out to one of the car parks	4/14/2017 11:19 AM

## Leominster Fair

344	Hold it back in the car park!	4/14/2017 11:18 AM
345	No I think the fair in Leominster is only once a year and the people of Leominster and the children enjoy the fair it will be a shame to not let the fair come x	4/14/2017 11:14 AM
346	It would be safer and less disruptive to local shops businesses and residents to hold the fair on a designated edge of town/ large car park area.	4/14/2017 11:09 AM
347	Move it out of town pleasd	4/14/2017 11:09 AM
348	More shops and businesses should get involved. This is annual tradition for Leominster and gives the youths something to look forward to.	4/14/2017 11:09 AM
349	Hold it somewhere down the unused & wasted New industrial estate!	4/14/2017 11:06 AM
350	no it is tradition i would like to see some kept instead of removing them all.	4/14/2017 11:05 AM
351	Yes, when the council sends out these ridiculous surveys they should publicise them so then you will gauge a fair and accurate result rather than the result the council wants!	4/14/2017 11:00 AM
352	In car park	4/14/2017 10:51 AM
353	Spread it into West Street and create a pedestrian area completely around the fair.	4/14/2017 10:46 AM
354	The fair should be back on the gas works where it was historically held. There is no need for it to disrupt town centre and damage our historic buildings and pollute our customers. Start supporting the businesses.	4/14/2017 10:33 AM
355	We look forward to this event every year as a family. It's only for a short time and brings many people into the town. Maybe hold it down the grange if it needs to go somewhere but not out of town as we would want to walk there.	4/14/2017 10:27 AM
356	Free parking	4/14/2017 10:26 AM
357	Move it to the outskirts	4/14/2017 10:24 AM
358	Ensure the fair people follow by the rules that everyone else has to adhere to and make sure they leave the carpark in the state they found it.The bill for the clean up isn't fair on the local people when the riads are in such a bad state of repair.	4/14/2017 10:24 AM
359	leave it alone it is a tradition. i dont like the fair very much but still wouldnt be the same without it here	4/14/2017 10:23 AM
360	Should be in one place not scattered around the streets, Should be in the car park by the fire station	4/14/2017 9:32 AM
361	move it to etnam street car park, where it can develop with more space	4/14/2017 9:27 AM
362	It should be held on the car park - best of both worlds. Less noise, pollution, disturbance for centre of town but those who love the fair can have a good time with everything on one site	4/14/2017 9:10 AM
363	Move it out of the town centre to enable people to park and shop as normal.	4/14/2017 6:53 AM
364	Move to a site more suitable eg broad st car park or some field's on the large A44/A49 roundabout. Make the fair persons clean the streets early every morning including the piles of vomit so visitors to the town don't have to see the state the place is left in. Make them give a donation to all local charities (e.g. ECHO Hereford and Worcester animal rescue) if our town has to put up with the fair they can give some of the money back to our community. I personally feel its no longer a suitable thing to have in our town centre. We dont let the circus do it in corn square so why should the fair be allowed?!	4/14/2017 6:50 AM
365	Holding it in the Square is fine but it should be moved out of broad street.	4/14/2017 12:25 AM
366	cheaper price for food and rides. may fair to be in one place like car park near factory shop or the grange	4/13/2017 11:44 PM
367	Charge them more for pitches, they make a fortune and do not pay much tax, then put the revenue towards attracting visitors to town	4/13/2017 11:18 PM
368	More health and safety a couple of years ago my son nearly came off the sizzlers they did nothing to stop the ride I have not been back since no apology nothing!!!! This was also reported to the Hereford council but nothing I was disgusted with it all but glad to say my son is ok but we alwYs try and take them some where else now !!! HEALTH and SAFETY!!!!!!!!!!!!	4/13/2017 10:54 PM
369	No, I love having the fair in the streets and do not wish to change it.	4/13/2017 9:13 PM

## Leominster Fair

370	By moving it to the gasworks/fire station car park or a large field near to the town. If the circus can be placed on a field so can the fair...	4/13/2017 9:03 PM
371	put it back to the car park!	4/13/2017 9:01 PM
372	It would cause less disruption if it was on Mill St Car Park	4/13/2017 8:27 PM
373	allow it to be bigger	4/13/2017 8:25 PM
374	Move it to a site on the outskirts of the town	4/13/2017 8:10 PM
375	Hold it on Friday, Saturday & Sunday	4/13/2017 7:29 PM
376	In this day and age,the fair is totally in the wrong place. The fair should be in Mill Street car park so as not to disrupt the traders of the town.It is disgusting that the town has to suffer this embarrassment year after year, it's the small minded town councillors that want this in the town and no one else.This survey is pointless as it will carry no weight at all.The council love the fair as they don't have to sweep the streets for three days, shame on you Herefordshire council.	4/13/2017 7:08 PM
377	Cheaper prices	4/13/2017 7:04 PM
378	Put it back down the broad st car park. There is more atmosphere with it all together and it is not damaging the roads any further.	4/13/2017 6:59 PM
379	Please keep everything as it is - such a magical tradition. The atmosphere of the fair being in the town & the excitement of all the children is wonderful....& it's only a couple of days disruption!	4/13/2017 6:39 PM
380	none	4/13/2017 6:34 PM
381	Enjoy fair coming. Would be better suited in the broad Street car park	4/13/2017 6:32 PM
382	Get rid of it completely.! It's a waste of money, it stinks and brings all the arrogant chavs out their holes hanging round the punch bag trying to look like "the big man"	4/13/2017 6:32 PM
383	Updated rides.	4/13/2017 6:13 PM
384	Bring some more rides , maybe to go in gas works car park !!! Xxx	4/13/2017 6:10 PM
385	It's dangerous not health and safety assessed to acceptable standards, too much trouble with fighting drinking etc and the men that run the fair uses it as an opportunity to groom the young people of Leominster disgusting to see.	4/13/2017 6:09 PM
386	Yes relocated to the long-term car park or the Grange area	4/13/2017 5:10 PM
387	Q4 is really badly worded Generally the fair is just not very nice - this modern versus traditional fair should be moved elsewhere in the town.	4/13/2017 3:44 PM
388	Move it into Bridge St car park. That would be ideal. Out of the town centre, away from those who wish to conduct their business in town without the aforesaid unpleasant distractions. I have spoken to shop owners, who all say they wish the fair would be relocated.	4/13/2017 3:28 PM
389	if we have to have a fair move it	4/13/2017 3:27 PM
390	THE ORIGINAL FAIR DID NOT HAVE THE RIDES IT HAS TODAY IT WAS SIDE SHOWS AND HAND POWERED ROUNDABOUTS - PERHAPS THE MODERN RIDES ETC SHOULD BE MOVED TO THE CAR PARK AND KEEP THE TRADITIONAL SIDESHOWS IN THE MAIN STREET	4/13/2017 2:52 PM
