Good afternoon,

Thank you for contacting Highways England concerning the above referenced consultation. There is no requirement to consult Highways England on applications where they are unlikely to have impact on the Strategic Road Network (SRN). For this reason we have no comments to make.

Thank you

### **Travellers' Sites Development Plan Document – Additional Sites Consultation**

As you may be aware the Travellers Sites Development Plan is currently being examined by a government appointed Planning Inspector. Hearing sessions were held in May 2018 and following these the Inspector issued post hearing advice. In this advice the Inspector has required the Council to identify additional pitches in order for the plan to be found sound.

As a result the Council has identified two additional sites that provide potential to meet this additional requirement and we are now seeking your views on these sites.

The additional sites consultation concerns potential pitches at the addresses below:

- Land at Oakfield, Nash End Lane, Bosbury
- Land at Stoney Street, Madley

The consultation starts on Wednesday 24<sup>th</sup> October and closes at midnight on Wednesday 5 December 2018.
