

HSIP delivery model 2018 - 21

Guiding Principle
Driving top quartile performance across Herefordshire through a school-led approach

ie achieving results in the top 25% of all local authorities

The local authority will be challenged to improve the performance of schools and academies through the monitoring, evaluation and review cycle

Strategic Implementation and Communications Strategy

HSIP Strategic Project Board (facilitated by the LA) Comprising representations from: the 4 teaching schools; 6 National Leaders in Education; the Diocese and the Archdiocese of Cardiff

Identification of key issues for Herefordshire
