

NHSE Learning Disability and Autism 3 Year Plan – ”Making Sure We Do What We Said We Would Do” (Governance)

- CCG is required to produce a plan to meet national NHS priorities and to explain how it plans to spend Service Development Fund investment for 2021-24
- CCG has to explain the progress it is making to NHS England
- CCG is expected to get the Plan approved, and for progress to be monitored, by senior people in the Integrated Care System
- Herefordshire & Worcestershire ICS has a Learning Disability & Autism Programme Board – this is where the Plan goes for sign-off
