

A hand-drawn map showing a residential area. The map features yellow contour lines with labels 220, 205, 195, 190, and 175. A network of roads is shown, with a prominent yellow road winding through the center. A red line segment on this road indicates a 'Footpath Extension'. Green dashed lines along other roads indicate an 'Existing Footpath'. Buildings are represented by simple black outlines. The names 'Castle Nibole' and 'Little Birc' are written in large green letters. A north arrow is in the bottom left, and a magnifying glass icon is in the bottom right.
