INFORMATION FOR THE APPLICANT OF THE CREMATION - to read and sign.

There are various memorials available in the crematorium memorial gardens which can be leased in memory of the deceased. If you wish to receive information regarding these memorial options, please indicate by ticking the appropriate

By post: ☐ By email: ☐ email address: _____

Please note that the Garden of Remembrance is only available to families with previous interments in the garden.

All of our memorial gardens are a shared place of rest and the placing of plants, crosses, vases or other forms of unauthorised memorial is not permitted. Any such items may be removed without notice.

The cremation will normally be carried out on the same day as the funeral, but in order to reduce the impact on our environment, some cremations will take place the day after the service (within 24 hours - excluding weekends and Bank Holidays)

All metals / personal effects remaining following cremation will be disposed of in the most suitable manner to reduce the impact on our environment. This will include sensitive recycling to avoid the use of non-renewable resources and to comply with existing legislation. All surplus monies derived from the recycling scheme will be distributed amongst selected bereavement related charities.

Should you wish to dispose of the metals in any other way or are concerned regarding when the cremation will take place, please discuss this with your Funeral Director, who will in turn contact us.

When completing the required cremation paperwork you will have detailed your instructions for the ashes following the cremation. **Important, please note** - Ashes which are not collected within 6 months from the crematorium office, will be scattered in the Garden of Reflection and recorded in the cremation register.

If you are at all unsure regarding the options available to you, your Funeral Director will be able to advise you. Alternatively, please contact the Bereavement Services team at the crematorium.

I understand and agree with the above information
