

# HAVE YOUR SAY

Herefordshire Council has saved almost £70 million over the past seven years. We must deliver further savings in order to balance our budget between now and 2019/20.

We provide hundreds of services spending around  
**£354 million**

**£69.9 million**  
savings made over the past  
7 years

We want residents and businesses to have their say as to how we can continue to provide value for money in our service delivery. We welcome feedback from the public to help inform our budget setting.

The consultation is open until Saturday 30 September 2017. Please take a few minutes to complete the online survey at
